

Our Villages' new Footpath

Created 23rd May 2015

Where is it?

Between Hookstone Farm and Windlemere GC/Gordons School (see map)

What is it?

A permissive footpath. That means the landowner (Parish Council) allows the public access along the path. Access is not allowed to horses/bikes. The area was already 'Open Access' land (means the public have access on foot), but no paths existed

What has been done?

Volunteers have removed brambles and other undergrowth to create a path. This links 2 footpaths and saves using the road.

What next?

The Parish council will be providing posts at either end to mark the path. Currently there are laminated signs in place

Ravi R, Nicholas & Niaouli W, Ruth D, Pete & Jan S, Robin S, Mary A, Ian K, Pete & Yvette J, Owners of Lavender Cottage, Parish Council

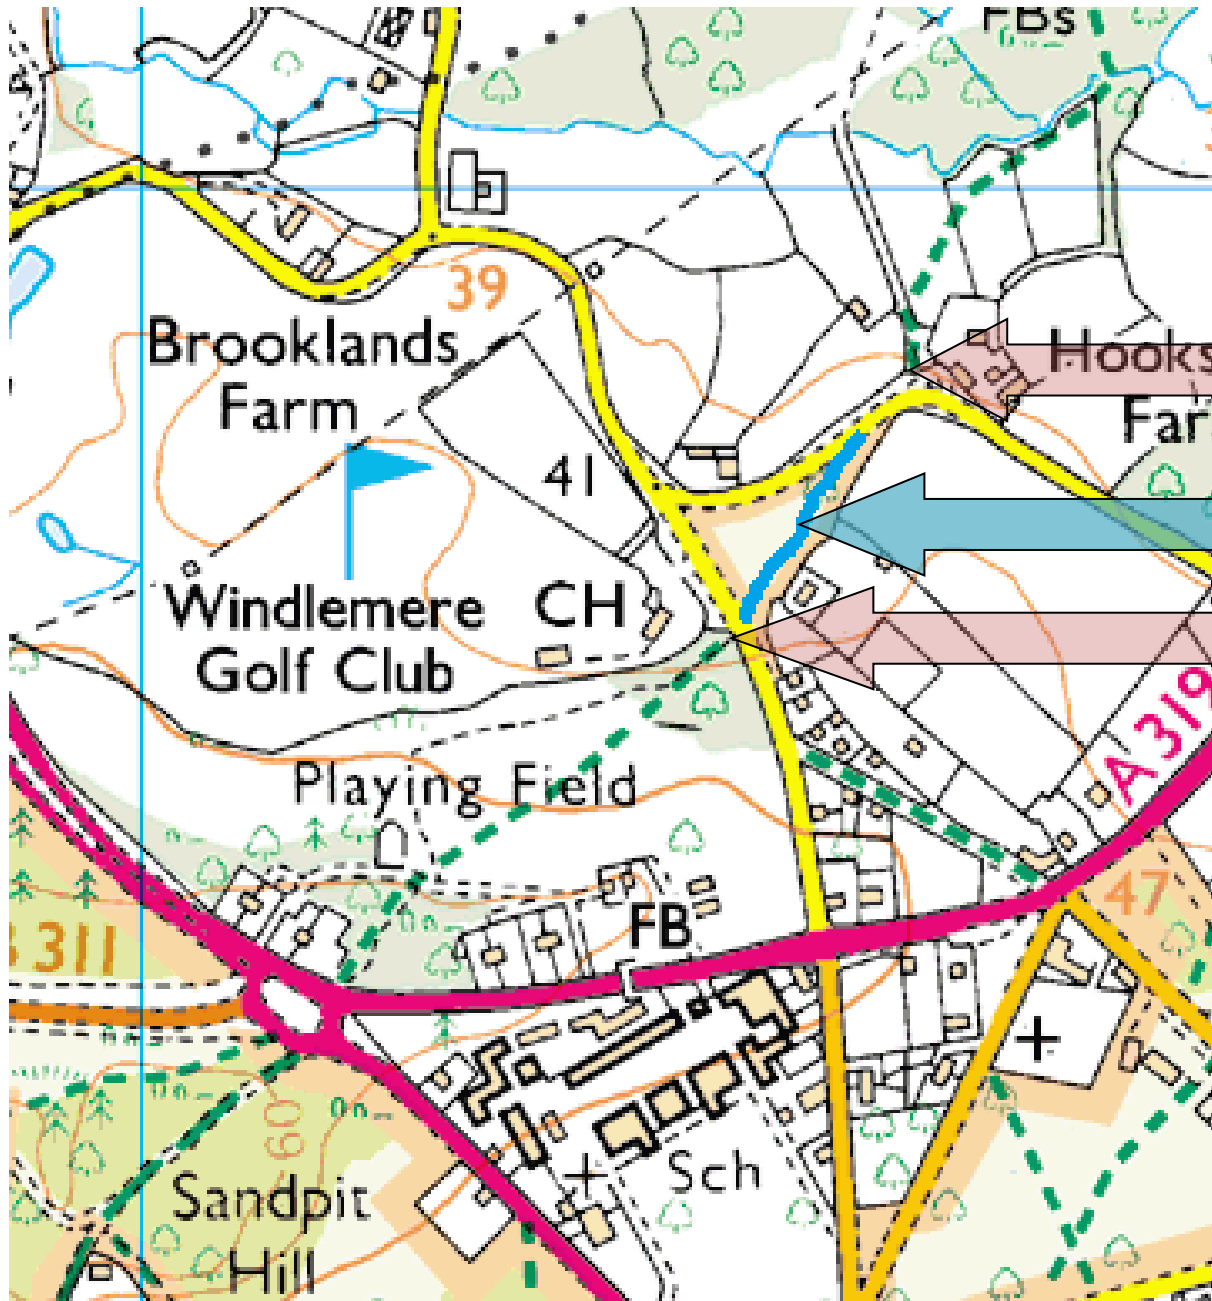

Before

After

It wasn't all hard work

Current public footpath ends at Hookstone Farm

New permissive footpath joins the two public footpaths

Current public footpath ends by Windlemere GC
