

TWERPS

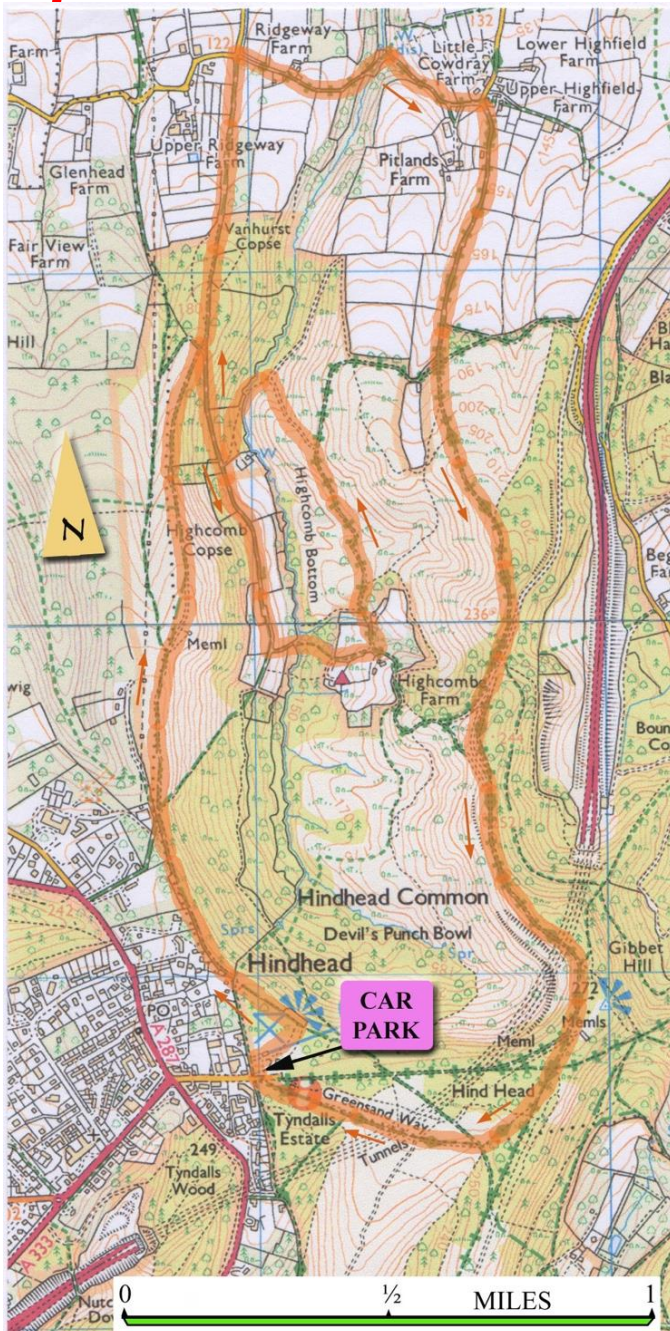

The West End Rambling for Pleasure Society

Sunday 14th August 2016

This 6½ mile walk does involve a little bit of fairly steep climbing and descending but the views are well worth the effort - also there are no stiles. There is a short distance where the track descends and is quite rough. Because of this sticks and boots may be an advantage.

We meet at 10 a.m. in the Hindhead Common and Devil's Punchbowl car park and after a timely stop for our snacks about half-way round we should be back at the car park by 1:30 p.m.

To reach the start go along the A3 road, from the Guildford direction, to enter the new tunnel just before Hindhead. Immediately on leaving the tunnel take the first exit and at the roundabout at the top pass over the A3. At the roundabout on the other side of the A3 take the 3rd exit signposted to Hindhead. Continue through one roundabout to a second roundabout in the centre of Hindhead and take the second exit, more or less straight ahead. After about 100 yards go left into the Hindhead Commons and Devil's Punchbowl car park.

West End to Devil's Punchbowl car park - about 40 mins. **Walk No. 367** Starting point - O.S. ref. SU 8902 3573. ~ Lat. 51° 06.835' N, Long. 0° 43.779' W
