

# TWERPS

The West End Rambling for Pleasure Society

Sunday 9<sup>th</sup> October 2011

This walk is a pretty and varied one of about 8 miles which starts from the Godalming Station car park (which is free on Sundays) so don't expect to get back to the car park much before 2 p.m.

There are no really steep hills but it is not dead flat and, like the September walk, this one has only 2 stiles to negotiate. We will be stopping for our usual elevenses break some where, or there are a couple of pubs if we wished to call into one of them if it was a nice day and the mood came upon us.

If coming from Guildford enter Godalming on the A3100 and turn right onto Chalk Road (signposted to Hurtmore and Peperharrow) at the roundabout just before the river bridge. Go under a railway bridge and, at the next crossroads, turn left into Borough Road. Pass under the railway again and at a T-junction, with a church on the left, turn right and then second right to reach the station car park. (OS Explorer map 145 - grid ref. SU 965 439)

Please note that our November walk will be on Sunday the 6<sup>th</sup> because our usual date is Remembrance Sunday.

West End to Godalming Station car park - about 45 mins. **Walk No. 305**
