

TWERPS

The West End Rambling for Pleasure Society

Sunday 11th October 2015

Terri and Chris Flemington have agreed to check out, and lead, this 7 mile walk in our absence. After experiencing the 'heights' attained in the last 2 walks this one will be easier on the legs as it is mainly on the flat with fairly long stretches beside the Wey Navigation Canal and only a few stiles.

From the 'Six Cross Roads' in Woking turn due south into Monument Road and pass over the canal and under the railway bridge to reach a double roundabout. Turn left here into College Road which becomes East Hill. At the T-junction turn left into Old Woking Road (B382) that runs from Old Woking towards Byfleet. After a $\frac{1}{4}$ of a mile turn right into Pyrford Common Road and the car park is immediately on the right on a left-hand bend.

The going can be a little muddy in places if we have rain immediately beforehand. We

will be stopping for the usual coffee break at some scenic spot along the way and expect to be back to the start before 1:30 p.m..

West End to car park in Pyrford Common Road - about 20 mins. **Walk No. 356**
Starting point - O.S.ref. TQ 0287 5913. ~ Lat. 51° 19.320' N, Long. 0° 31.504' W
