

Dear WEAG Supporters

Yes, time is passing, but the Developers have not gone away.

Let us continue to be on alert whilst awaiting the date when the Surrey Heath Borough Council (SHBC) Planning Applications Committee (PAC) meeting will consider the planning applications put forward by Developers for West End. As you know, WEAG has requested that these three applications (see below*) be considered at the same meeting.

The next possible date for this meeting is Monday 12th January. As you know, many hundreds of residents have submitted their opposition in words and many more by petition. **ONCE** the date is known let us fill the Public Gallery at the Council Chamber, to show the strength of residents' opposition to large scale developments, in West End, by our presence.

Parking on site is available and we suggest you be there by 6.30 for a 7pm meeting)

Volunteers Needed - Immediately prior to the actual PAC meeting we will do a leaflet drop on the east of the village to alert/ remind residents. We would welcome volunteers to assist with this.

** The Planning Applications to which we refer to above are:*

- South of King's Road, 84 houses by The William Lacey Group (14/0532)
- Off Beldam Bridge Road, 85 houses by Taylor Wimpey (14/0594)
- South of Beldam Bridge Road, 3 large houses by Redrow Homes (14/0451)

WHEN we have confirmation of the applicable date of the SHBC Planning Applications Committee meeting details will be available on www.weag.info, WEAG supporters will be advised by email and those who have made representation to SHBC will be advised directly. If you would like further information email: contact@weag.info

Please Note: The Malthouse Farm proposal for 100 houses has yet to be submitted to Surrey Heath Borough Council, but decisions on the three applications above will have a direct bearing on the Malthouse Farm plan, virtually giving it a red or green light.

Kind regards

Beulah Kingston
