

Dear WEAG Supporters

First, let me thank you for all your support. We are happy to report that thus far the representations showing on the Surrey Heath Borough Council website are very encouraging. See also the NOTE below - opportunities to now comment up to 22nd August.

At the time of writing these representations were:

14/0594 Taylor Wimpey - To develop land north of Beldam Bridge Road

Received: 164 - Against 162 - In Favour 1 - Petitions 1\*

14/0532 William Lacey – To develop land South of Kings Road

Received: 181 - Against 180 - In Favour 0 – Petitions 1\*

\*Petitions – these currently represent just over 600 signatures against each of the developments. We are continuing to knock on doors throughout the village until Thursday lunch time, so we can hopefully submit further signatures on Friday morning.

NOTE - according to a press notice, comments can now be accepted up to Friday 22nd August. So if you have been away or too busy there **is** still time to make your representation to the borough council. You may also like to tell your family, friends and neighbours of this. The more objections we make, the stronger the case for West End.

A reminder of how to object can be found at the foot of this message, in case you still need details.

Kind regards
