

Dear WEAG Supporters

Update on 8<sup>th</sup> May Newsletter

Taylor Wimpey: 85 dwellings on land north of Beldam Bridge Road Ref 14/0594

If you had recently sent a letter of objection to SHBC on Taylor Wimpey's 3<sup>rd</sup> planning application for this site, reference 16/0323, you may well be confused to see that Taylor Wimpey have now reactivated their original application 14/0594 Appeal. The procedure for this Appeal will now be a Hearing and not an Inquiry as previously stated.

The date for the Appeal Hearing has not yet been set and once it is, we will advise you and hope you are available to attend.

Your previous letters of objection on 14/0594 will already be with the Inspector, however, if you can add weight to your previous objection or formulate another objection please do so. We are all gaining knowledge on various aspects of planning policy and a recent decision by the Borough Council on land at Windlesham has informed us further.

The deadline for receipt of representations is 16 June but we urge you to forward your objection as soon as you have time, lest other issues get in the way.
