

West End Action Group

Dear WEAG Supporters

Planning Application reference - 15/0445 - Malthouse Farm, 70 Benner Lane

Appeal Ref APP/D3640/W/15/3139682 - Start Date 12/04/16

Some of you will have received notification from Surrey Heath Borough Council (SHBC) that the appeal concerning the Malthouse Farm fields will soon be going ahead, though the date for the Hearing is not yet set. You may recall that in 2015 SHBC turned down Southern Heritage's application to build 95 homes on the land surrounding Malthouse Farm.

The WEAG committee will be reviewing the documentation in the next few days, including the topics where SHBC agrees with the developer. We will seek some legal advice on the situation, prior to writing our comments to the Inspector.

We will also advise all our supporters of the points we will be making, and you could if you wish wait to see these before making your own comments direct to the Inspector, by the deadline of 17 May.

Meanwhile you can see the appeal documents on SHBC's website at www.surreyheath.gov.uk, following the Planning Applications Search link, and entering the reference 15/0445.

Best regards
